

A guide to hiring the event space at Paintworks

EVENT SPACE
at **PAINTWORKS**

www.paintworksevents.co.uk

This unusual and flexible space offers a backdrop to creativity and seeks to stimulate, entertain, educate and refresh. We will include all public events on our web listings, so please supply event information, opening dates & times, and a good image after you have confirmed your event booking with us

Paintworks is the regeneration of 12 acres of industrial buildings along the banks of the River Avon to the south of central Bristol. Built in Victorian times as a wharf-side paintworks, the earliest stone buildings date from mid 1800's. Further redbrick additions were made throughout the nineteen twenties and thirties as the company continued to expand.

Original cobbled streets, arcades and courtyards have been brought back to life and Paintworks now comprises a mixture of live/work spaces, residential lofts and studio offices.

At the heart of this creative village lies the Bocabar and the cavernous exhibition/event space, where massive proportions and industrial ruggedness offer a lively local alternative to glitzy city centre bars and carpeted function rooms.
